Dear André

INSTITUTE OF QUARRYING'S 36TH ANNUAL CONFERENCE & EXHIBITION BIRCHWOOD CONFERENCE CENTRE – 3-5 MARCH 2005

On behalf of the Institute of Quarrying Southern Africa, I would like to thank you for coming to give your paper at our conference last week.

It is an honour and privilege to have speakers who make their presentations so well and so professionally. We all appreciate the time, effort and research involved in producing a presentation of such high standard.

I include the CD with video clips as requested – I definitely think the “ride” one adequately portrays “dangerous emissions”.

We wish you all the best and we look forward to seeing you again in the future.

Yours sincerely

LYNNE MONTGOMERY
Secretary/Organising Secretary
